

A REVIEW OF PERSONAL EXPERIENCE AND ACHIEVEMENT  
Y11 PERSONAL STATEMENT

During this year you will be completing your examination courses and many of your personal qualities and skills will have matured and developed. There has also been a greater emphasis placed upon you as a role model in and around school.

Evidence of these changes can be seen both inside and outside of school and this statement should reflect the way you are maturing as a person both academically and socially.

Please use these prompts to draft your own personal statement. Try to give enough detail to explain to someone else the type of person you are.
