

NW/VS/May2018

Dear Parents/Carers

As we approach half term can I thank all of the parents of Yr 2, 6 and 11 children for your support in preparing your loved ones for the exams they are sitting. Exams are not easy for children and bring about all sorts of anxiety but with good preparation, healthy meals, plenty of sleep and rest we are sure they will do well. Exams are a moment in time and are very important but this will never take away how wonderful our children are and the pleasure it is for us to have them as Bemrose students.

Can I reiterate to you all that our Ofsted judgement of Good makes us all very proud. We need to continue to work hard and look at all of the margins where we can improve and develop.

As the warmer weather sets in can I remind parents that school uniform standards are still expected. If it is too hot we will of course allow ties to be removed etc. We are proud of our uniform and identity and I expect all to wear it fully and with pride.

In addition students should all have bags for school for their books and equipment. **Bags should be able to hold an A4 folder.**

We expect all of our Bemrose children to have a bag for school.

I am becoming increasingly concerned about parents parking and driving onto the pavements. The pavements are for the children and pedestrians and not for cars. The road is for cars. If this reckless driving continues I will be forced to engage with Highways to protect the safety of our children.

Finally, the last half term will be a busy one. There will be many activities taking place and all students in the secondary phase will move up from their current year to the next year.

Can I thank you all for your continued support.

Yours faithfully

Mr Neil Wilkinson
Executive Headteacher
