

NW/LR/July 2018

Dear Parents and Carers

As we approach the end of term and the year, can I firstly take this opportunity to thank you all for your support and collaboration over the year. Without parental or home support we cannot have the long lasting impact with your child, which makes them a better learner and person. Many Thanks.

We don't stop! This term has seen 50 year 2's sleep over; 30 year 6's have a week away following their SAT exams; 15 year 10's complete their Duke of Edinburgh expedition and a great summer fayre for everyone. At the time of writing we are preparing for our 2018 presentation evening. We are really pleased to have two former students Amer Khan and Leigh Rose join us, I am sure we will bring back happy memories of their former school.

The building project continues to move on at a pace. Having been in the building, it is very impressive, spacious and a space that our students will flourish in. We look forward to it opening in November 2018.

At the end of this year we say our goodbyes to a few staff.

Ms Roberts will move to a post at Da Vinci.

Ms Cormack will move to a post in the Netherlands.

Mr Bailey will go to Derby University to train as a teacher.

We wish them all the very best and look forward to seeing them in the future. Goodbye and good luck, you will all be missed.

Finally, as the summer approaches after a sweltering term I would like to thank all of the children. Every day it is marvellous to see them learn and develop, growing up too quickly at times. Can I wish you all a safe and happy summer break. Don't stop learning.

We look forward to seeing children return on Tuesday 4th September in the primary phase and Wednesday 5th September in the secondary phase at their normal school start time.

Have a good summer.

Yours sincerely

Mr N Wilkinson

Executive Headteacher
