27th February 2018

Dear Parents/Carers

INSET Day

I am writing to remind parents that the school will be closed to all children on Monday 5th March as this is a school INSET day.

School will reopen on Tuesday 6th March at 8:30am for the secondary students and 8:40am for the primary children.

Can I remind all parents that if there is the need to close school due to poor weather that affects children and staff safety I will contact parents or carers using the following:

- School website
- Email address
- Text to mobile phones.

Can I ask that you ensure we have your most current means of contact as we would not want you to miss important information.

Yours faithfully

Mr Neil Wilkinson
Executive Headteacher
