Dear Parents and Carers

Due to unforeseen circumstances with a mechanical breakdown in the school canteen we will only be able to provide a limited selection of meals. We are working hard to rectify the problem so we can offer our normal good standard and selection of food to the students.

We will be able to provide sandwiches, paninis, jacket potatoes, chicken joes and a limited number of accompaniments. Your child may wish to bring sandwiches or alternatives.

We have to resolve this matter quickly and I apologise in advance for any issues this may cause.

Yours faithfully

Mr Neil Wilkinson  
Executive Headteacher
